NNG

THE NAME
Narayan Narayani Garg

Why the practice is called NNG

At her wedding the pandit gave the couple new names: Narayan for her husband, Narayani for her. She has carried it as a trust ever since, and Transformation with NNG grew from it.

What she holds to

The mind comes first.

"No remedy works when the mindset is not right." Her words, and where every consultation begins.

No fear, ever.

"I have never sold fear to anyone." Guidance here explains. It never frightens.

One life, four areas.

Health, relationship, career and money, looked at together, because they move together.

Change Your Mind, Transform Your Life

Her 21-day guide to inner change: the mind and its habits, energy and the chakras, the four areas of life, a practice for each day.

"When you change your mind, you change your world."

FROM THE BOOK

London, about seven years

I was all over the place.

"She helped me and guided me through it. It has helped me with my business and my personal life, and changed me from always thinking negative into thinking more positive."

Shelley

Grade 10 student

She never sugar-coated anything.

"I used to be very anxious, even for my class tests. She never sugar-coated anything, which really helped me prepare for my exams. Thank you for transforming my anxiety into confidence."

Vanshika S.

A mother

I came for my daughter.

"I joined for my daughter. Now she is well, and she is happy."
